

AN EXCLUSIVE EVENING WITH

Glenfarclas[®]

Glenfarclas is renowned for producing single Highland malt Scotch Whisky in the traditional Speyside style, with a heavy sherry influence. Producing a range of expressions from the mouth watering freshness of the 10 year old to the indulgence of older vintages. One of the delights of Glenfarclas is exploring the subtle nuances between the different expressions.

7.00pm, Friday 31st January 2020

In the company of Callum Fraser – Head Distiller, Glenfarclas
